

Project Use Case & Deployment Confirmation Certificate

This is to formally acknowledge that the following student(s) from K.R. Mangalam University have successfully undertaken and completed an industry-based project under our mentorship, in alignment with the stated objectives and requirements of our organization.

Project Details:

- **Project Title:** Gatherly – An Event Management System
 - **Domain/Technology Used:** React, TypeScript, Tailwind CSS, Vite, Lucide React
 - **Industry Use Case / Business Problem Addressed:** Gatherly will help businesses like Absolute Café in Sohna streamline event bookings and service coordination for private parties, gatherings, and café-hosted events. It will reduce manual effort, track customer preferences, and enable the café to offer a seamless, tech-enabled event planning experience.
 - **Expected Outcome/Utility of the Project in Our Organization:** Gatherly will help Absolute Café efficiently manage event inquiries, track service demand, and enhance customer satisfaction through timely approvals and organized scheduling. It will simplify operations, reduce reliance on manual tracking, and support business growth through data-driven decision-making.
